## Reader's Opinions

It took me years to track this book down. On any recommendations or lists I've ever heard or read, "FOR FANS OF TREASURE ISLAND, ETC.", Porto Bello Gold has been listed as number one. But of course, it's out of print. However, it's worth the search and the drama of searching. This book is great; it's dramatic, exciting, adventurous....

Great prequel to the classic Treasure Island. Swashbuckling intrigue galore.
