

THREE AGAINST THE WILDERNESS: A GRIPPING MEMOIR OF A PIONEERING FAMILY IN THE CHILCOTIN

Timeless tales about wilderness living. Eric Collier's riveting recollections about the 26 years that he, his wife Lillian and son Veasy spent homesteading in the isolated Chilcotin wilderness made for an international bestseller and one of the most famous books ever written about British Columbia. In the early 1930s, Collier and his family moved to Meldrum Creek, where the couple built their own log house and learned to live off the land....

Reader's Opinions

Exactly the kind of wilderness adventure story I'd like. I used to think I wanted to live this way but I really don't think I could handle it now. Much too used to the modern conveniences.

I love this book. Well-written, interesting, BC history and geography... and their cabin is now a historic site, so maybe one day I will get to visit it. Will read again.
