

HAZE

Seb is a loner. Brilliant with numbers but hopeless with people, he prefers the company of computers and his only friend, Guzzle. Things change for the better when he makes friends with Kristie, Madeline and Jen, and a new computer teacher - Miss Adonia - arrives. However, Seb is soon caught up in a web of computer fraud and lies and turns to Madeline's mysterious cyber friend for help. Weaving...

Reader's Opinions

This book was read for an upcoming Under the Radar column. It concerns a teenager on the Asperger's end of the spectrum coping with social learning limitations that accompany ASDs and suspicions that his prodigious computer skills have been put to nefarious purposes. There are a lot of characters here coping with a variety of pressures,...

Great book for teens--helps them relate to those with "invisible" disabilities.
