

# MR. PALOMAR

Mr. Palomar, whose name purposely evokes that of the famous telescope, is a seeker after knowledge, a visionary in a world sublime and ridiculous. Whether contemplating a cheese, a woman's breasts, or a gorilla's behavior, he brings us...

## Peek Inside the Book

A person, for example, reads in adulthood a book that is important for him, and it makes him say, "How could I have lived without reading it!" and also, "What a pity I did not read it in my youth!" Well, these statements do not have much meaning, especially the second, because after he has read that book, his life becomes the life of a person who has read that book, and it is of little importance whether he read it early or late,...

## Reader's Opinions

...../....=D..

Nobody looks at the moon in the afternoon  
And this is the moment when it would most require our attention  
Since its existence is still in doubt  
The moon is the most changeable body in the visible universe  
And the most regular in its complicated habits  
Who fear it is too beautiful to be true  
Perhaps the first rule I must impose on myself is...
