Reader's Opinions

(I jump in and out of spoilers throughout its the only way to review this trash - so rather than constantly having to stop myself to write spoilers, Im writing it at the top of the review. Fair warning.)Christine has a very specific type of amnesia: every day she wakes up not knowing who the man sleeping next to her is. She also forgets...

What are we, if not an accumulation of our memories? I've had my eye on this book since before it was released and last night I decided it was finally time. I really wanted a psychological thriller that would keep me guessing. And did...
