## Peek Inside the Book

Science, my lad, is made up of mistakes, but they are mistakes which it is useful to make, because they lead little by little to the truth. Jules Verne, A Journey to the Center of the Earth //

[we see that] science is eminently perfectible, and that each theory has constantly to give way to a fresh one. Jules Verne, A Journey to the Center of the Earth //

## Reader's Opinions

I really liked this book. This book is about a two men named Professor Hardwigg and Harry who takes a journey to the center of the Earth. They start their journey in Iceland. They meet...
