

# CRAWLERS

In a secret government lab somewhere in Nevada, a young scientist cowers in darkness—waiting, listening, and calculating his chances of surviving the unspeakable carnage that has left him trapped and alone. Or almost alone. Soon after, a covert military operation “cleanses” all traces of a top-secret project gone horrifically wrong. Three years later, it begins again—when the quiet of a warm autumn night in a sleepy California town is shattered by a streak of light across the...
