Peek Inside the Book

What if you love knowledge for its own sake, not necessarily as a blueprint to action? What if you wish there were more, not fewer reflective types in the world? Susan Cain, Quiet: The Power of Introverts in a World That Can't Stop Talking //

The secret to life is to put yourself in the right lighting. For some, it's a Broadway spotlight; for others, a lamplit desk. Use your natural powers -- of persistence, concentration, and insight -- to do work you love and work that matters. Solve problems. make art, think deeply. Susan Cain, Quiet: The Power of Introverts in a World That Can't Stop Talking //

Reader's Opinions

Quiet: The Power of Introverts in a World That Can't Stop Talking is about being an introvert in today's society. Confession time: I'm a tremendous introvert. I know you're all thinking something along the lines of "What? A guy who reads constantly and writes over a hundred book reviews a year is an introvert?" Shocking but true. I could...
