Peek Inside the Book

The infamous Venus flytrap lives only in one tiny swath of natural habitat a 60-mile radius around Wilmington, North Carolina. Will Pearson, mental_floss: The Book: The Greatest Lists in the History of Listory //

Reader's Opinions

4.5 Stars I was very impressed with this book, there was a mix of pop culture tidbits as well as little known historical and scientific facts. You could definitely find some facts in here that would impress friends when you sprinkle them into everyday conversation. There's a list for everyone here, from the Muppets, to sports, to US Presidents,...
