## Reader's Opinions

4 starsVery quick action filled short story. I found this very diverting, and I'm looking forward to reading more by Brian Ruckley. You could pick this up without having read The Free and still enjoy it.

It's ok. It's good to learn more of Yulan, but not much more is gained. having read The Free, I feel I followed along well enough, but I'm not sure someone who has not read the novel will grasp or appreciate some of this novella's aspects. fun enough sword adventure with some decent characters.
