LOCKJAW AND THE PET AVENGERS

And there came a day, a day unlike any other, when Earth's mightiest heroes were unaware of a threat greater than all of them could handle. And on that day, a teleporting puppy scoured the...

Reader's Opinions

Just cheesy enough to work, and way more than enough fun. All of the characters have strong personality's that play out well on the team together, and come off as matching their species perfectly.

I wish I liked this more than I did, as it has some amazing creators involved. Unfortunately, while its not bad, it s a little basic and a little silly (and not silly in a fun way like Tiny Titans). Diverting, but nothing more.
