

REDSHIRTS

Ensign Andrew Dahl has just been assigned to the Universal Union Capital Ship Intrepid, flagship of the Universal Union since the year 2456. It's a prestige posting, and Andrew is thrilled all the more to be assigned to the ship's Xenobiology laboratory. Life couldn't be better...until Andrew begins to pick up on the fact that: (1) every Away Mission involves some kind of lethal confrontation with alien forces (2) the ship's captain, its chief science officer, and the handsome Lieutenant Kerensky always survive...

Peek Inside the Book

A fourth part of his brain was saying, This is the part where you run and scream a lot. He was listening to the fourth part. John Scalzi, Redshirts //

You'll notice that the Intrepids inertial dampeners don't work as well in crisis situations, Dahl remembered Jenkins telling them. The ship could do hairpin turns and loop-de-loops any other time and you'd never notice. But whenever there's a dramatic event, there goes your footing. John Scalzi, Redshirts //

Reader's Opinions

Simply said, I loved this book. If you want me to go into more detail, I can. But that's the heart of the matter. I don't do spoilers. So instead, let me say this: This book was fun. It was clever. It was geeky. But most of all, it made me laugh. I'm not just saying it...
